

# THE EQUIPMENT YOU NEED

Western States Valves and controls offer services from the Consulting/Design Engineer, through to the end user, with the latest technologies and equipment, including the highest grade of field services and technical assistance available.

## ABOUT US

Our partnership is with manufacturers who design, develop and build some of the finest equipment available. With a vast selection of various valves, actuation and equipment, we can provide a total solution for your application.

### Bermad Water Control Solutions

Surge control valves, pressure reducing valves, pressure sustaining valves, altitude valves, air valves.

[www.bermad.com](http://www.bermad.com)

### Butterfly Valves and Controls

AWWA butterfly valves, resilient seat butterfly valves, stainless steel electric and pneumatic actuators.

[www.bvcusa.com](http://www.bvcusa.com)

### Champion Valves, Inc.

Check valves.

[www.wafercheck.com](http://www.wafercheck.com)

### Earthquake Safety Systems

System control products for site, specific earthquake loss mitigation, seismic switches, seismic monitors, special use instruments.

### Flo-Tite Valves & Controls

Ball valves, all types and styles, actuators.

[www.flotite.com](http://www.flotite.com)

### Fresno Valves & Castings, Inc.

Slide gates, canal gates, flap valves, gate valves, industrial butterfly valves, plug valves and plunger valves.

[www.fresnovalves.com](http://www.fresnovalves.com)

### Fluoroseal Specialty Valves

Actuators, industrial ball valves, industrial butterfly valves and plug valves.

[www.fluorosealvalves.com](http://www.fluorosealvalves.com)

### Latanick Equipment, Inc.

Telescoping valves, mud valves, fluid applicators.

[www.latanickequipment.com](http://www.latanickequipment.com)

### Parker Hannifin

Actuators.

[www.parker.com](http://www.parker.com)

### Ross Valve

Automatic control valves, AWWA ball valves, cone valves, industrial ball valves.

[www.rossvalve.com](http://www.rossvalve.com)

### Sorensen Systems / The Hope Group

Control systems.

[www.sorensensystems.com](http://www.sorensensystems.com)

### Thermoplastic Valves, Inc.

Butterfly valves, check valves, diaphragm valves, ball valves, foot valves.

[www.plasticvalves.com](http://www.plasticvalves.com)

### Val-Matic, Inc.

Plug valves, AWWA butterfly valves, check valves, ball valves, air valves.

[www.valmatic.com](http://www.valmatic.com)

### Wey Valve by SISTAG

High performance knife gate valves.
